

# *Lenten Day of Prayer*

## *A Spirituality of Imperfection*

Lent, traditionally a time of repentance and renewal gives us the opportunity to notice how sin inhibits loving and living in freedom. Selfishness, ignorance, habit or pride impede growth in intimacy. The pressure for perfection can also present a crippling challenge to accepting God's grace and mercy. Through exploring this "spirituality of imperfection" we will discover the ongoing invitation to live and love in freedom. We will look at the paradoxes of being human and the real places in our lives where the invitation to live and love freely is consistently offered, better enabling us to know and trust God's loving kindness.
