

## 5-Week Ignatian Retreat

### Reconciliation: A Time for Hope and Healing

Five-week retreats invite you to daily prayer and reflection in the Ignatian tradition. Weekly group meetings allow you to share your prayer experiences and better recognize God's action in your prayer and life. Retreat directors offer input on prayer, development of one's spiritual life and daily prayer exercises.

The same God who has revealed himself in the Incarnation continues to empower us with hope against all that would challenge love: violence, injustice, despair in the face of disease and isolation. Reconciliation provides hope for healing relationships with ourselves, with one another and with creation itself.

Drawing from the Exercises of Saint Ignatius, we look at the meaning of self-emptying love and its requirements in the face of social and environmental challenges. Hope prompts us to seek our own transformation as we turn to the One who continues to offer new life.
